DEPARTMENTS & FEATURES

True West magazine offers some of the most well-read departments and features exploring the Old and New West.

WESTERN HISTORY

- **Classic Gunfights:** Our most popular feature, *Classic Gunfights* is fast-paced and rich in detail, with maps by Gus Walker and artwork by Bob Boze Bell.
- Arizona's official historian **Marshall Trimble** answers readers' questions about the Old West. As our second most-read feature, **Ask the Marshall** informs and entertains.
- **Shooting from the Hip:** Noted gun historian and Hollywood firearms expert **Phil Spangenberg** writes about guns of the historical West.
- The great wits of our time, from *Jonah Hex* writer Jimmy Palmiotti to Wild Bunch historian Dan Buck, share **What History Has Taught Me.**

LIFESTYLE & TRAVEL

- **Westward Home:** Showcases historic home rebuilds, contemporary ranches and any other abodes where people choose to live out their Western dreams.
- **Renegade Roads** taps into Western travel with writers such as Johnny D. Boggs and Candy Moulton, who can point out the historical sites and talk serious barbecue at the same time.
- **Trail Riding:** From PBS's *Equitrekking*, **Darley Newman** teaches the history behind the trails you're riding on and introduces new

trails you never knew existed

- **Johnny D. Boggs** talks up the West, whether he's confessing to his cowboy boot addiction or convincing Walter Hill not to beat him up for dissing *The Long Riders*. In **Boggs Unleashed**, you never know what Boggs will introduce to us next.
- **Western Books** reviews the latest Western fiction and nonfiction books.
- **Westerns: Henry Cabot Beck** reviews recent Western movies and TV shows, including those in the works, and the classics of yesteryear.
- **What's It Like to Live There?** provides an insider's perspective on each of the towns that win our annual "True Western Towns" award.
- **Collecting the West:** Reports on auctions of American West treasures.

PRESERVATION

- **Jana Bommersbach** celebrates **Old West Saviors** who rescue our cultural and physical resources, and maintain important ties to our past.
- **Mark Boardman** shares the hits, misses and ongoing preservation projects in the **Preservation** column.

ANNUAL SOURCE BOOK!

- Complementing *True West's* inspirational stories of the past and present, our **Best of the West Source Book** announces the winners of our "Best of the West" award and provides a detailed directory of businesses and services throughout the West.
